

ADMG PRINCIPLES OF COLLABORATION

We:

- **acknowledge what we have in common - a shared commitment to a sustainable and economically viable Scottish countryside;**
- **make a commitment to work together to achieve and maintain that;**
- **accept that we have a diversity of management objectives and respect each other's objectives**
- **undertake to communicate openly with all relevant parties**
- **commit to negotiate and where necessary compromise in order to accommodate the reasonable land management requirements of neighbours**
- **where there are areas of disagreement we undertake to work together to resolve them.**
