Stakeholder Feedback

- What we need from stakeholders
 - Comments on our DMP
 - BUT as importantly, help to scope out and produce a plan for the boundary of the RDMA over the next 5 years
 - Identify ownership pattern
 - Identify potential /actual land use conflicts
 - Fencing issues: current & likely future
 - Road traffic accident blackspots
 - Agricultural damage
 - Damage to commercial forest crops
 - Damage to private gardens
 - Need to consider the Deer Code
 - Want to deliver public benefits
